

Project Management

Car Benefit Solutions (CBS) is one of the UK's leading providers of automotive benefits consultancy, specialising in the development and implementation of bespoke structured company car alternatives. The CBS product suite includes financial modelling, technical advice, policy development, Inland Revenue compliance, project management, Health-Checks and Fleet Services.

CBS Project Management

Working with our clients, CBS's stewardship of Project Management initiatives encapsulates the mobilisation and alignment of appropriate resource, processes and solutions executed through a measurable, controlled methodology primarily focused on the attainment of clearly defined deliverables.

CBS's project teams provide advice, support and objective challenge to ensure that the project and risks are understood and managed by focusing and following the key steps in the project management methodology.

Our approach is:

- Facilitative, developing your business needs and plan.
- Pragmatic, actionable results.
- Consensus building, creating an environment where a successful shared goal can be achieved.

What services do we provide?

From the outset of any change initiate through transitional management state and ultimately to the achievement of the desired state, CBS's expertise incorporates the following:

- Scope Definition
- Preparation of the Project Charter & Plan including:
 - Key deliverables
 - Resource requirements
 - Risk analysis
 - Decision making criteria

- Project Plan Execution including:
 - Role definitions & stakeholder engagement
 - Milestone & Critical Path management
 - Contingency planning
 - Application of Change Control techniques
 - Meaningful Management Reporting
- Deployment of Quality Control checks

Client Benefits

At CBS, it is our belief that deployment of suitable qualified personnel facilitates the management of change and ultimately assists organisations to avoid the classic pitfalls of Project Management including but not limited to issues emanating from:

- Project visibility
- Misdirected resources
- Lack of accountability
- Inadequate controls

Is this relevant to you?

Responsible organisations embarking on a fundamental change to the structure and operation of a high profile benefit such as employee car provision should give proper contemplation to the value attainable from engaging professional external assistance in order to maximise the probability of a successful transition.
