

Scheme Management

Car Benefit Solutions (CBS) is one of the UK’s leading providers of automotive benefits consultancy, specialising in the development and implementation of bespoke structured company car alternatives. The CBS product suite includes financial modeling, technical advice, policy development, Inland Revenue compliance, project management, Health-Checks and Fleet Services.

CBS Scheme Management

In addition to developing and implementing ECO schemes CBS has the resources and expertise to manage all aspects of the administration of an ECO as well as provide full funding of the recommended solutions.

CBS's Quote / Order / Delivery (QOD) team has extensive experience of providing support in as ECO environment. In addition the Fleet Services and Finance teams are led by experienced qualified professionals.

All scheme management teams have full access to technical support from CBS consultants if required.
