CBS Strengthen the Team

Since their inauguration in July of 2002, CBS have established themselves as a leading authority on structured workplace car schemes and the supplier of choice to several major UK corporates.

In response to the growing requirement of an expanding client base, CBS continues to strengthen its *Operational and Implementation Team*, headed up by Gerry O'Neill, Commercial Director and is pleased to welcome the arrival of four new team members.

O'Neill comments, "These appointments demonstrate our commitment to the long term viability of structured workplace car schemes. At CBS, we believe that the demand for these schemes will continue for the foreseeable future and as such we are resourcing accordingly."

In response to the requirement to deliver a comprehensive fleet proposition in addition to their consultancy and management services portfolio, CBS have appointed Daron Salmons, to the role of Fleet Services Manager. Daron's remit will encompass procurement, in-life services and supply chain management disciplines. Supporting Daron, Gillian Colson has been appointed as Fleet Co-ordinator.

CBS's range of financial services products and internal reporting requirements will be serviced by Kathy Brophy in her role as Financial Controller. Kathy is a chartered accountant with a number of years experience in the automotive finance sector, having been Statutory Reporting Accountant for one of the largest leasing companies in the UK prior to her appointment at CBS. Kathy is joined by Ryan Fisher as Finance Assistant.

CBS's Managing Director Martin Maguire commented, "Our business ethos is built on the quality and integrity of our people. We choose our people for their skill and commercial expertise as well as their innovative and dynamic approach to their work. Above all, we work as a cohesive unit – with our clients and with each other".

About CBS

Car Benefit Solutions Ltd (CBS) is an organisation based in the North West, devoted to the development of cost effective strategies to maximise the perceived value of car benefit for employees whilst minimising the provision cost to the employer. Since their inauguration in July of 2002, CBS have established themselves as a leading authority on structured workplace car schemes and the supplier of choice to several major UK corporates. Their business is dedicated to the design, development, implementation and ongoing management of tax efficient alternatives to the traditional company car.
